^{**} Parents: As most of the work will be done at home, it is important for you to familiarize yourself with the curriculum (especially if you are new to IEW). Above, you will find weekly reading from the teacher's manual. These pages closely follow the student workbook. There are wonderful helps given in grey boxes throughout, so definitely take note of those. In each week's reading, there is an explaination of the new stylistic technique as well as the structure introduced in our class time. Please ensure you are reading the teacher's manual each week as it will serve to minimize confusion, remind students what was covered in class, and help work through compositions at home.
